Tile X Spacers

Tile Spacers

Tile spacers for highly resistant and precise tiling.

Products range from 1 to 10 mm.

Tile spacers are made of a highly resistant material. Also reinforced and prepared to bear heavy tiles.

Wedges for tiling, 5 and 7.5 mm high. Made of shockproof polystyrene.

4x MULTI SERIES

1, 2, 3 y 5 mm
1/32" - 3/32" - 1/8" - 3/16"

Our Multi-Series works as a set of tile spacers. We can separate in X, T or -.

Each model has 4 separation measures (1, 2, 3 and 5 mm).

Made of high quality resistant material, especially suitable for large formats and heavy slabs. This is a recoverable and reusable piece.

Tile Spacers Peygran Box

The new Peygran Box packaging improves the product image in the stores. This new packaging optimises the display and arrangement of the product making it more visible. Stackable format to have all components tidy and sorted. The front window or the top part can be removed to have the product more visible.

The amount of bags contained varies according to the dimensions of the tile spacers.

Totem format allows us to display all the possible dimensions of tile spacers in an organised way and can be placed everywhere without using shelves.
